

Professional Summary

Creative and results-driven Front-End Developer with 3+ years of experience building responsive, high-performance web applications. Proven ability to improve UI/UX engagement using React.js, JavaScript, HTML/CSS, and WordPress. Skilled in Figma, wireframing, and integrating REST APIs to deliver dynamic and accessible user experiences.

Professional Experience

Rebecca Everlene Trust Company, Chicago, US - Frontend Web Developer

Sep 2024 – June 2025

- Designed and developed an engaging MedKids app user interface using Figma, HTML/CSS, and JavaScript, leading to a 13% increase in user engagement through improved visual appeal and usability.
- Customized and optimized WordPress themes by modifying CSS and JavaScript, enhancing site performance, and contributing to a 14% boost in mobile traffic.
- Applied responsive design principles to ensure consistent layout and functionality across desktops, tablets, and mobile devices for a seamless user experience.

SDI Presence, Chicago, US - Frontend Developer Intern

Feb 2023 – Aug 2023

- Developed responsive and interactive web pages from Figma designs using HTML5, CSS3, and JavaScript, ensuring consistency across devices and screen sizes.
- Integrated dynamic features using React.js and REST APIs, enabling real-time data updates and enhancing user experience.
- Improved overall site performance by implementing lazy loading, script minification, and other front-end optimization techniques, reducing load time by 13%.

Accenture Sol. Pvt. Ltd, Pune, India - Application Development Associate, Frontend

Feb 2021 – August 2022

- Collaborated with the client-side SIEMENS team in an Agile environment to develop and enhance front-end components, accelerating product development by 14%.
- Created interactive, user-friendly dashboards to monitor performance, reducing incident resolution time by 18%.
- Optimized front-end responsiveness by streamlining API integrations and asynchronous rendering and leveraging asynchronous JavaScript techniques, leading to smoother UX and faster data retrieval.

Cyient Ltd., Pune, India - Frontend WebDeveloper Associate

May 2020 – Jan 2021

- Built responsive web pages with HTML, CSS, and JavaScript, ensuring clean design and cross-browser compatibility.
- Translated Figma and Adobe mock-ups into functional, pixel-perfect UI components aligned with design specifications.
- Used Git and GitHub for version control, contributing to collaborative code reviews and maintaining a streamlined development workflow.

Technical Skills

Languages: JavaScript, TypeScript, HTML5, CSS3, JSON

Frameworks: React.js, AngularJS, Bootstrap, SASS, Material-UI

UI/UX Tools: Figma, Balsamiq, Moqups, Adobe

Web Tools: WordPress, REST APIs, Git, Postman

Design Practices: Responsive Design, Wireframing, Cross-Browser Testing, Accessibility

Projects

HealthTrack ([Github](#))

May 2023 – Aug 2023

- Designed a user-centered health tracking system prototype.
- Created Figma wireframes and interactive prototypes mapping complete user journeys.
- Delivered a polished design specification (PDF) capturing visual hierarchy, component behavior, and UX rationale for developers.

Fresh Harvest - Online Grocery Platform ([Github](#))

Jan 2023 – Apr 2023

- Built a responsive UI with Bootstrap, implemented customer/admin flows using React.
- Focused on creating a seamless shopping experience with secure login and smooth navigation.

WeatherApp ([Github](#))

Oct 2022 – Dec 2022

- Engineered a JavaScript-based online medicine ordering app with user/admin interfaces and secure authentication.
- Integrated the OpenWeather API to fetch and display real-time weather updates.
- Designed interactive UI features for city search, error handling, and dynamic visualization of weather data.

Education

Northeastern University, Boston, United States

Sep 2022 – Apr 2024

Master of Science in Information Systems (GPA: 3.54/4)

Sinhgad Institute of Technology and Science, Pune, India

July 2016 – Apr 2020

Bachelor of Engineering in Electronics and Telecommunication Engineering (GPA: 7/10)
